EDUCATION

Boston University

September 2023 – May 2027

Bachelor of Fine Arts in Graphic Design

Boston, MA

Bachelor of Science in Advertising

- **GPA:** (3.86/4.00) | Dean's List
- **Coursework:** Web Development (HTML, CSS, JavaScript), Motion Design, Consumer Behavior & Analytics

EXPERIENCE

Product Design Intern

Boston, MA

Bendi Wellness

September 2026 – Present

- Owned visual identity and UI design for Bendi's website and app, designing key components for a conversion-ready brand experience
- Restructured information architecture and on-page content to reduce cognitive load and boost discoverability, applying SEO fundamentals to make features feel calm and intuitive
- Led ongoing visual QA across web and app, catching layout and hierarchy issues pre-launch while partnering with the CEO to align design with brand direction

UX Design Intern

Boston, MA

BU Law

April 2026 – Present

- Redesigned data platform interface in Figma to align with updated brand identity while maintaining usability for professional users
- Created promotional materials to engage users in feedback sessions and usability testing
- Collaborated with stakeholders to balance brand goals with user experience and accessibility requirements

LEADERSHIP

Campus Leader

Boston, MA

Figma

August 2026 – Present

- Advocated for BU's inclusion in the Figma Campus Leader program by pitching it directly to the program's manager at Config, ahead of BU's selection as one of 16 institutions added this year
- Organized and hosted workshops, events, and hackathons that helped peers learn Figma, level up design skills, and collaborate on creative projects
- Managed budgets and partnerships to fund initiatives that foster innovation, inclusivity, and collaboration in the student design community

Co-Head of Design

Boston, MA

BostonHacks

February 2024 – Present

- Designed landing page and promotional materials for hackathon attended by 300+ students and industry professionals
- Established design system to maintain visual consistency across web, print, and social platforms
- Collaborated with engineering and marketing teams to align brand identity with user experience goals
